**MEMORANDUM:**

To: All Prospective Bidders

From: Administrator of the Courts

Subject: **Addendum No. 1**  
 Invitation for Bid: IFB 14-01  
 Confirmatory Drug Testing Services

Below are responses to clarifications/questions in reference to the above IFB 14-01:

1. Confirmatory cut off levels for drug analysts are listed on the bid as 0 (zero) ng/ml. Analytical measurement requires an absolute number to determine accuracy. A laboratory cannot technically use zero as a cut off level. All Clients must select one of the options for confirmatory testing cut off levels: Either Federal cutoff levels or limit of Quantitation (LOQ).

**Response:** The following change will be made to the Scope of Services found in Section V. item number 5 for Invitation for Bid 14-01. Prices shall reflect the required cut off levels which are listed below. All other scope of services shall remain the same.

Confirmatory Test Analyte	Cutoff Concentrations (ng/ml)
Marijuana	15 ng/ml
Cocaine	100 ng/ml
Opiates	2000 ng/ml
Amphetamine	250 ng/ml
Methamphetamine	250 ng/ml
PCP	25 ng/ml

2. The bid requests a price per drug confirmation but does not indicate the volume of each test per year. What is the expected number of tests for each drug per year?

**Response:** As stated in IFB 14-01 this service will be required on an as needed basis and billed only for those services needed. There is no guarantee on the number of clients needing confirmatory services. The Judiciary can only provide the number of confirmatory done for calendar years 2012 and most of 2013 but be advised that this number is known to fluctuate therefore as stated above there is NO guarantee on the number of test that will be done for each year. The information below is provided for informational purposes only.

Calendar Year	Number of confirmatory testing
2012 (Jan. 1, 12-Dec. 31. 12)	277
2013 (Jan. 1, 13-Nov. 18, 13)	183

**Please be reminded that this Addendum no. 1 shall be acknowledged in your bid proposal. Failure to acknowledge this addendum shall result in disqualification from this bid.**

Should you have any questions please contact Mr. Raymond L.G. Taimanglo Procurement & Fac. Mgt. Administrator at 475-3393/3175.
