The Supreme Court of Guam, by and through the Board of Law Examiners, hereby adopts and promulgates the following amendments to Section 3 of Part A of the Rules Governing Admission to the Practice of Law, effective immediately.

Section 3 - Application Deadlines.

(a) **Timely Filing Deadline:** To be considered timely filed, applications for admission to practice law must be filed with the Board by the first day of December preceding the February Bar Examination, and by the first day of May preceding the July Bar Examination. However, any person who was unsuccessful on any examination shall be allowed ten (10) business days from the date of the general announcement of examination results in which to file an application to take the next examination if such announcement falls on, after, or within five business days prior to the application deadline provided above. To be considered timely, applications must be accompanied by all requisite fees and supporting documentation (including the fingerprint card, certificates of good standing and recent photograph), and be received on or before the day of the deadline. For application deadlines which fall on a weekend or holiday, applications will be accepted on the following business day.

Applications filed prior to the timely filing deadline which are incomplete or otherwise deficient shall be returned, but may be re-filed prior to the late filing deadline. Upon receipt of the application, the Board shall make every effort to timely return incomplete or deficient

2 applications, however, it is the applicant's responsibility to submit a proper and complete
3 application. The Board bears no responsibility for not immediately returning an application,
4 received prior to the timely filing deadline, within enough time for said application to be re-
5 filed without incurring a late fee.

7 **(b) Late Filing Deadline:** Applications for admission to practice law may be filed with the
8 Board subsequent to the timely filing deadline, but must be filed no later than the second day
9 of January preceding the February Bar Examination, and the first day of June preceding the
10 July Bar Examination. All applications filed after the timely deadline and within the late
11 filing deadline will be subject to an additional late fee.
